

Dear friends and colleagues!

The peace in Ukraine is the greatest wish of all Ukrainians, especially children. To draw the attention of the world to the problems of the peace on earth is the main idea of the International contest of children's cards «**Sun and Peace to Children of the World!**», initiated by the Ukrainian section of the International Board on Books for Young People (IBBY).

We sincerely invite you to join the contest and to share information about it among the children of your country.

You will find the information about terms and conditions following the link <https://chl.kiev.ua/Default.aspx?id=10178>. We look forward to actively involving children in our initiative for the benefit of world peace.

I wish peace to all of us!

With respect

President of IBBY Ukraine
